

BUILD A BETTER PMO™

PROFESSIONAL DEVELOPMENT PROGRAM FOR PMO LEADERS

Powered by the Willow Path PMO Foundation System™

PROGRAM OVERVIEW

Build a Better PMO™ is a six-month professional development program for PMO leaders. Participants apply the program directly to the PMO work they are already responsible for, including governance, prioritization, capacity, executive communication and PMO positioning. Structured tools, guided implementation and PMO leader development help turn the learning into work the organization can use.

DESIGNED FOR

PMO and EPMO leaders responsible for building, strengthening or evolving an existing PMO.

"Her guidance is helping me tackle the learning curve head on, avoid mistakes I wouldn't have seen coming, and get to meaningful results faster than I could have on my own."

Michael A. | EPMO Leader

USING EMPLOYER EDUCATION BENEFITS?

Many employers offer educational-assistance or professional-development benefits. This program is structured as a professional development program and we can provide the documentation you need to submit to your employer for consideration.

Educational-assistance plans vary by organization. Please confirm your eligibility and reimbursement requirements with your employer.
